

# Orchid Society of Northern Nevada

Established in 1985 – 32 Years of Growing

## President's Message:

We had such a successful show thanks to show chair Rosemarie Entsminger and so many of you who gave presentations, set up displays, judged orchids, talked to guests. A special thanks to Moana Nursery for their support. We had a great time.

In a few weeks, you will receive an email to learn how you can effortlessly support OSNN through Amazon Smile and SaveMart. Please read it.

Dues are due. \$25 individual, \$40 same household.

## OSNN Meeting

**Thursday, March 2, 2017 @ 7PM**

**Moana Nursery Design Center**

### **1. Review of the Moana Nursery show and sale**

#### **2. Members' Orchid Plant Swap and Sale**

*Though 20 of you braved the snow storm in Jan, for safety, we ended early. Some who had requested a plant swap were snowed in that evening.*

March will be your opportunity to share or sell your personal orchids. **As we divide and re-pot orchids, we end up with more than we need. Or have orchids that would be thrilled to live in another home. March 2nd is your opportunity. Bring those orchids.**

#### **3. Members' Sharing Information and Ideas**

Show us your favorite re-potting medium and tell us why you use it.

Edible Orchids: Kathleen Shupp

Using GSE with orchids update: Leslie Moran

Bring your blooming orchids for us to admire.
