

# Orchid Society of Northern Nevada

Established in 1985 – 32 Years of Growing

## President's Message:

Thank you for welcoming new members and sharing orchid information. It was wonderful to see so many new faces at our March meeting. It's good to have new members make suggestions to improve our society and offer to contribute their expertise and time. We all have something that we're skilled at or something we enjoy doing. Volunteering is the way to go.

Thank you for being so supportive of our orchid society.

## **OSNN Meeting** **Thursday, April 6, 2017 @ 7PM** **Moana Nursery Design Center**

### **Interactive discussion: research orchid questions online.**

We'll discuss the internet as a resource that can be used to educate yourself and we'll talk about newer tools you can use online FOR FREE. With advancements on the information superhighway, **Kathy Barrett** will talk about what's worked for her and give you the opportunity to share what's working for you. This will be a 'real-time' web based presentation so you can see/use what's available online - warts and all.

**Kathy Barrett** is an American Orchid Society judge and co-chair of the publication board for 'Orchids' magazine. Prior to that, she was editor of the first online orchid society, **OrchidSafari**.

Kathy's been a denizen of chatrooms and email lists since 1994.

She grows orchids in Contra Costa County, CA, using pure Delta water.

### **The raffle table will be supplied by Gold Country Orchids.**
