

# Orchid Society of Northern Nevada

Established in 1985 – 32 Years of Growing

## President's Message:

With elections approaching, a few people have expressed interest in serving, but we need more of you to step up and contribute your talent. We have a great group of people - friendly, helpful, knowledgeable with diverse interests and expertise.

Let's hear from more of you.

Please mark your calendar for August 12 and 13. Our picnic has been moved from July to August so we can combine it with a Sunday tour of the Sierras to look for native orchids with AOS judge, Curtis Gean. The August meeting notice will provide details.

## OSNN Meeting

Thursday, July 6, 2017 @ 7PM

Moana Nursery Design Center

## Multifloral Paphiopedilums

**Carol Klonowski's** talk on Multifloral Paphiopedilums will cover the different varieties of these impressive species and hybrids that have their hybridization story rooted in breeding programs over the past hundred years. She will discuss the background of Paphiopedilum breeding, the West Coast's roll in popularizing them, and current breeding trends.

Carol Klonowski has been growing orchids since the 1980's when a friend gave her a cattleya that bloomed out with three big, fragrant, dark lavender flowers. She built an entire greenhouse in her backyard to accommodate the precious plant, which only led her to buy more orchids. Another friend gave her a gift membership to the Orchid Society of California and it's been a serious hobby and passion ever since. Carol has served as Director, VP, and President of the Orchid Society of California and is a Fully Accredited AOS Judge with the Sierra Nevada Judging Center.

The raffle table will be supplied by In Situ Orchids.

(Note: Jeff Tyler gave us *B. Macrobulbum 'Magnifico' x lobii v. Gianti* that he recently unflasked. There are at least a dozen in the container. Free for those who want to try their skill with seedlings.)

**We will have our OSNN-members-only potluck dinner with our speaker.**

**5:00 PM at 2835 Juliann Way (Taeko Heiser 827-2934)**

**If coming from work, just show up as there will be plenty of food.**
