Established in 1985 – 32 Years of Growing

President's Message:

The Greenhouse Tour was a great success and a very enjoyable experience for all who were able to participate. Thank you Mark, Neal and Steven for opening your orchid collections to OSNN. Thank you Taeko for making these arrangements. I hope we can do this again in the future.

Vandas ♦ Revision of the Species Temperature Tolerant Species and Hybrids

Dennis Olivas was born on the island of Kauai, Hawaii. As a lad, he helped his mom grow orchids and got hooked. When he joined future Farmers of America, his project was raising and selling these exotic plants. In 1960 he moved to the mainland and swore off orchids – but not for long – as he was introduced to Rod McLellan's Acres of Orchids. From there his whole life became one downward spiral. He filled his home with 6000 plants and later leased greenhouse space for his ever burgeoning orchid collection. His collection grew to overflow his 3000 sq. ft. greenhouse. Dennis has been President of the Peninsula Orchid Society, San Francisco Orchid Society, Diablo View orchid Society and the Santa Cruz Orchid Society. He is an accredited judge of the American Orchid Society. Dennis belongs to more than 14 orchid societies and tries to assist them whenever possible.

The raffle table orchids will be supplied by Dennis Olivas.
